

OPGA REGIONAL CUP

“Bring us your finest”

Where do the best players in the Chapter reside? Are they in the Portland Metro area? How about the Willamette Valley? Do the best crop of players hail from Central Oregon? Or is there an untapped hotbed of golf in Southern Oregon? In 2019 we will find out the answers to these questions. **Congratulations to the team from Central Oregon for winning the Regional Cup in 2018.**

What is the Regional Cup?

The Regional Cup is a yearlong competition that will be comprised of four qualifying pro-am events broken down by region. The regions are Portland Metro (Longview to Wilsonville), Willamette Valley (Woodburn to Creswell), Central Oregon, and Southern Oregon (Cottage Grove to Ashland). Each region will have **FOUR** events that will be designated on the pro-am allocation sheet as qualifiers. Professionals from each region that participate in the selected events will earn points based on how they place in the event. Professionals may go outside of their region to play, but the points earned will go towards the region that you are employed in. At the end of the qualifying events **the top six players in each region** will be awarded a spot in the Regional Cup Final. The final tournament will be held on October 23, at Broken Top Golf Club!

The Final

This year the FINAL Regional Cup Team Match Play event will take place in Central Oregon on October 23 at Broken Top. There will be no cost to play, we will have a hosted dinner and will host 1-night lodging (double occupancy). Each pairing group will have one player from each region. There will be three 6-hole matches within each group. The region with the most points will win the OPGA Regional Cup. In the event of a tie, each team will select one player to play a sudden death playoff hole until a winner is determined. This event will determine which region is the “strongest” for the year. The champions will receive the Regional Cup Team Trophy. Each player will get the trophy for two months to display at their facility with the region and score displayed on the trophy.
