

2023 OPGA REGIONAL CUP

What is the Regional Cup?

Congratulations to **SOUTHERN OREGON** for winning the 2022 Regional Cup. The Regional Cup is a season long competition that will be comprised of 16 qualifying pro-am events. Each region will have **FOUR** events that will be designated on the pro-am allocation sheet as qualifiers. The regions are Portland Metro (Longview to Wilsonville), Willamette Valley (Woodburn to Creswell), Central Oregon, and Southern Oregon (Cottage Grove to Ashland). Professionals from each region that participate in the selected qualifying pro-ams will earn points based on how they place in those events. Professionals may go outside of their region to play, and the points earned will go towards the region that you are employed in. At the end of 16 qualifying events **the top six players in each region** will be awarded a spot on their Regional Cup team that will be held on October 24-25.
